MicroFirm Neck & Décolleté by NeoCutis

What is it?

MicroFirm is a cream that contains a concentrated blend of ingredients precisely formulated to combat visible signs of aging on the delicate skin of the neck and décolleté

PERFECT FOR EVERY SKIN TYPE!

Fragrance Free

Paraben Free

No Color Additives

Dermatologist Tested

Non-Comedogenic

Not Tested on Animals

What does it do?

- Helps minimize the appearance of fine lines and wrinkles, age spots, and uneven skin tone
 - Enhances skin's natural collagen to help make skin more resistant to the signs of aging
 - Revitalize skin's suppleness and elasticity
 - Firms thin, loose skin on the neck, collarbone, and bust
-

Why it works:

MicroFirm is supercharged with **MPC™** and packed with antioxidants and moisturizers as well as exfoliating properties to encourage cell turnover for a softer and more luminous appearance

What is MPC™?

MPC™ stands for Micro Protein Complex.

It is the latest exclusive anti-aging technology created by Swiss scientists. The specific micro-proteins found in **MPC™** are foundational in the nourishment of Collagens I, III, and VII, Elastin, and Hyaluronic Acid, which are necessary for youthful-looking skin
