

Purchase one BBL and receive 20% off a

SkinMedica Lytera 2.0 kit

What will BBL do for you?

Forever Young BBL is an innovative technology that uniquely delivers light therapy targeting the signs of aging and sun damage and effectively provides a more refreshed, rejuvenated and youthful appearance.

Forever Young BBL treats a wide variety of conditions. For skin rejuvenation, Forever Young BBL removes age spots, freckles, redness, small vessels and more.

Lytera 2.0 Advanced Pigment Correcting System

brightens dull skin and minimizes the appearance of skin discoloration and dark spots

By purchasing the kit versus individual sale, you are already saving \$93!

For the month of April, you can save an additional 20% (which is a \$71 value). In addition, inside the kit is a \$40 coupon for your next Lytera 2.0 Kit purchase.

On top of all of those savings, you are earning Brilliant Distinctions points which can convert to an additional \$20 off your next SkinMedica purchase!

Latisse now \$20 off!!

Double points for any Colorescience purchase now through June!
